## RCN Continence Care conference and exhibition 2011

28-29 November 2011, Manchester Central Convention Complex, Manchester

# Facing the future

prices from just  
£125 per day

**Major challenges are facing the whole of the NHS and Continence Advisory Services cannot escape these changes.**

- **Do you know how the recent changes to commissioning, suggested by the Government, will affect your practice?**
- **Do you want to know how you can be better prepared?**

As well as main hall presentations on the political agenda, the RCN Continence Care Forum conference will provide you with clinical updates and evidence of good practice presentations, as well as a very successful exhibition, enabling you to update yourselves on new and current products.

The RCN Continence Forum urges you to register for this conference which will equip you to face the future challenges arising from the Health and Social Care Bill and the Nicholson Challenge. You will return to your workplace re-energised and able to discuss possible innovations that you can implement, how your practice has been informed and share new learning with colleagues and feel able to contribute to the clinical commissioning of services.

Sessions will include

- All Party Parliamentary Group Guidelines on Commissioning Continence Services
- Local GP and Consultant views on commissioning
- RCP National Continence Audit – the way forward
- Catheters and infection control
- Example of successful joint working – NHS and County Council
- Should we still be using ‘dipsticks’?
- Masterclasses on ‘Painful Bladder Syndrome’, ‘Encopresis in children’, ‘ISC’ and ‘Pelvic Floor Olympics’

# RCN Continence Care conference and exhibition 2011

## Facing the future

28-29 November 2011, Manchester Central Convention Complex, Manchester

### Venue:

The conference will take place at the Manchester Central Convention Complex, Petersfield, Manchester, M2 3GX

Tel: 0161 834 2700

Web: [www.manchestercentral.co.uk](http://www.manchestercentral.co.uk)

Manchester Central is in the heart of Manchester city centre in the North West of England. Located in the centre of the UK, the city is served by strong road, rail and air links, making it an easily accessible location for visitors from all over the world.

### By rail

Manchester has direct rail connections to all major UK cities. Come into the city at either Piccadilly or Victoria station, both of which connect to Manchester's Metrolink light-rail system which provides easy access to all parts of the city centre. Take the Metrolink from either Piccadilly or Victoria (in the Altrincham or Eccles direction) and alight at St Peter's Square, which is within a 5-minute walk of Manchester Central. You can also take advantage of the free Metroshuttle bus that travels between the two stations across the city centre.

### Metrolink and Taxis

The extensive Metrolink tram service covers the city centre and areas of Greater Manchester.

To reach the venue follow signs for Metrolink from either Piccadilly or Victoria, purchase a City Zone ticket on the platform and take a tram heading for Altrincham or Eccles alighting at St Peter's Square. The venue is then a five-minute walk away, behind the Midland Hotel. You can also take advantage of the free Metroshuttle bus that travels across the city centre.

### By road

Manchester is at the heart of the Northwest's motorway network with easy access from all directions onto the M60, the city's orbital motorway. Once on the M60 exit at Junction 12 and join the M602 signposted towards the city centre. Follow the A57 straight on from the end of the M602 passing under a railway bridge before taking the left hand exit to merge onto the A56 Bridgewater Way. Turn right onto Whitworth Street West at Deansgate station and then turn left onto Albion Street. The entrance to the Manchester Central Car Park is through the next set of traffic lights on the left, opposite The Bridgewater Hall.

If you are using sat nav, type in M2 3GX which will take you to the car park at Manchester Central.

### Parking at Manchester Central

Once you have travelled into the city by car, then the best place to park is the NCP car park on site at Manchester Central. It is open 24 hours and the address details for sat nav are: Lower Mosley Street, Manchester, M2 3GX.

For more information on NCP car parks in Manchester, visit [www.ncp.co.uk](http://www.ncp.co.uk) or telephone 0845 050 7080.

### By air

Manchester airport is a major international air traffic hub with frequent scheduled flights to the majority of key UK, European and international destinations. It is 9 miles (14.5km) outside the city centre, taking approximately 25 minutes by taxi, or alternatively there is a direct half-hourly express rail service to the city centre that takes approximately 20 minutes.

### Accommodation

We have negotiated special rates for accommodation in Manchester starting at £68.00 for a single room. Please contact Jigsaw Conferences to book your accommodation quoting 'RCNContinence': 0845 0000 792

Or book online:

### Conference dinner

The conference dinner will take place on Monday 28 November and will cost £40.00.

### Continuing Professional Development (CPD)

All RCN Events have been RCN Accredited. RCN accredited events include a 'model for structured reflection' for you to use, to reflect on your experiences to capture your learning. This can be kept in your PREP portfolio and contributes towards your continuing professional development. Authorised certificates of attendance are issued to all delegates attending an RCN accredited event.

### Further information

Please contact Suzanne Oakley for more information 020 7647 3581.

### Exhibit! Advertise! Promote!

The RCN Continence Care conference and exhibition provides you with an unrivalled opportunity to connect directly with a significant group of the UK's leading continence nurses. There are a number of ways for you to be involved in the exhibition giving you the opportunity to network and raise your profile within this specialist nursing arena. Packages can be tailored to help achieve specific objectives.
